FUNNY FUNNY FUNNY! Another great show! Thanks, I needed a good laugh!!

The actors each played two characters: in the actual play and the play within the play! Bravi to all of you! Your delivery, timing, expressions, kept me laughing the whole time! Not easy considering the hilarious plot but you all pulled it off! Complimenti!

Really impressive production - Fawlty Towers somehow meets Agatha Christie? laugh-out-loud funny with a very talented cast who keep you hooked through a madcap plot - you actually will be hilariously entertained...well done!

I went to opening night of Play On Tuesday night and haven't laughed so hard in the theater for quite a while! It's a madcap comedy about the behind the scenes of putting on a play complete with forgotten lines and blocking and missed sound and light cues! The cast is hysterical in their delivery and timing. Do yourself a favor and head down to Teatro Sa Genesio and enjoy a wonderful evening at the theater.

WHATSAPP & EMAIL FEEDBACK from AUDIENCE MEMBERS

A fun, convivial, lighthearted evening was hand-delivered last Monday by the energetic Rome Savoyards who performed the comical "PLAY ON!" (in english) on Opening Night in Teatro San Genesio. The effervescent, zany characters took no delay spilling their madness out into the audience. The perfect choice for an EFFORTLESS good time (running thru Sun. June 9th)....don't miss out!

It was a great pleasure as always to see you all last night, and I enjoyed the show and theatricality deep in my bones! Hugs and compliments to all!

Great job all! I was in stitches! Loved it!
Have a great rest of the run!

'Loved the show! The actors looked like they had fun too. There was a feeling of enjoyment and freedom about them that added to the general joy.'

'I was most impressed with the continuous switch between 'deliberate over-acting' and then the very good 'true' one... that's not easy! all very clever indeed! Bravi!

Bravissimi tutti nella compagnia: the play within the play non è per nulla facile da interpretare e voi tutti lo avete fatto al meglio ripetendo le stesse scene in un modo sempre sorprendente!

Grazie della bella serata!

Alla prossima!
